Just Reduced! Trust Opportunity--Finish and Save!! Here is your opportunity to take over a beautiful renovation that has not been completed. The attractive front exterior includes newer windows and a welcoming front porch. Inside, there is a large living room with fireplace and a light and bright family/dining room leading to a tiled, incomplete eat-in kitchen. The unique floorplan includes 5 bedrooms, all with exquisite private baths, plus an additional hall bath. Could be wonderful for a group living situation. Beautiful wood floors, recessed lights, large separate laundry room, 2 air condensers and three tankless water heaters! Ample outdoor space as well: there are both side and rear yards. Terrific, convenient location near USC Campus and Village and Exposition Park, shopping and entertainment.
